KRISHNARAJASAGARA DIVISION.

Notification.

Sealed tenders will be received by the Executive Engineer, Krishnarajasagara Division, Krishnarajasagara up to 4 P.M. on 9th November 1953, for constructing a wing of three rooms to the Hydraulic Research Station, Krishnarajasagara.

The detailed estimate, plan and specification may be seen at the office of the Executive Engineer on all working days during working hours.

Name of work	Amount of estimate Rs.	Earnest money Rs.	Period for completion of work	Monthly progress Rs.
Construction of a wing of three rooms to the Hydraulic Research Station, Krishnarajasagara.	19,500	975	6 months	3,250

1 Each tender shall be accompanied by a challan for Rs. 975 as earnest money paid at any Government Treasury, Mysore, under "S" Remittances—Payments by P.W.D. Officers (Krishnarajasagara Division). No adjustment can be made from the pending bills or the deposits of other works towards the tender deposit of this work.

2 Tenders will not be accepted unless they are in the prescribed form which will be supplied on payment of Re. 0-4-0 each at the office of the Executive Engineer, Krishnarajasagara.

3 Only on acceptance of one of the tenders, the earnest money of the rejected tenders will be returned.

4 The tender need only mention the rates for each item of work of the abstract estimate both in words and in figures at which he is willing to undertake the work.

5 The sealed tenders received for the above work will be opened in the presence of such of those tenderers who will be present at that time.

6 The final acceptance of the tender will rest with the Government who are not bound to accept the lowest or any tender or to furnish any reason therefor.

7 The successful contractor should bind himself to abide by the departmental rules in force and execute the necessary mutchalika within a week of the receipt of intimation of the acceptance of his tender, failing which, his earnest money will be forfeited.

8 The rates quoted shall hold good if the tender is accepted within six months from the date of tender and shall be binding for the execution of the entire work.

9 The rates quoted shall include all taxes, royalties and tolls payable from time to time.

10 Items not provided for in the estimate will be paid for as per minimum schedule of rates or as per actual data worked out, with 10 per cent Contractor's profit if not provided for in the schedule of rates.

11 If the work is not completed and handed over within the specified time, any action suitable will be taken on the defaulting contractor in addition to levy of a fine of Rs. 50 per day after the specified date.

12 The contractor has to make his own arrangements for the transportation of materials and supply of water for construction.

13 All matters of disputes about rates, measurements, quality of work, etc., and in all other disputes of any kind, the decision of the Executive Engineer, Krishnarajasagara Division, Krishnarajasagara will be final.

14 The submission of a tender by a contractor implies that he has read this notice and the conditions of the contract and has made himself aware of the scope and specifications of the work.

15 The quantities noted in the abstract are approximate and are subject to variation during execution. The tendered rates will hold good for any quantity whether higher or lower than those given in the estimate. The rates quoted should hold good till the work is completed.

16 The income-tax clearance certificate is to be enclosed along with the tender or furnished before the execution of the agreement at the latest, failing which, the tender or contract will be cancelled and tender deposit forfeited to Government.
